

BEE DAY MAP - BEMIS FAMILY FARM

Welcome to Bemis Honey Bee Farm's 10th Annual Bee Day.

We hope you enjoy spending the day learning about honey bees, meeting fellow beekeepers, and eating tasty food. Please follow the schedule on the back of this page to stay informed on the numerous workshops offered throughout the day and their locations. A map is offered below to help with navigation. We would like to thank our speakers, sponsors and our volunteers for making this event possible and free to the public. Check out our website for future events and classes, like The Arkansas Hone Festival in the fall.

Happy Beekeeping!
